

10 YEAR WARRANTY
- Self-supporting closed flexible tank -

SCOPE OF WARRANTY

Labaronne-Citaf® offers the user of its self-supporting closed flexible tanks a 10-year warranty, applicable to the following ranges:

| PRODUCT RANGE | TECHNICAL FABRIC |
|-----------------------------------|------------------|
| Heavy-duty - Firefighting storage | HPVi14 |
| Heavy-duty - Non Potable Water | HVPi14 |
| Heavy-duty - Effluents | FALi14 |
| Heavy-duty - Liquid Fertilizer | FERTi14 |
| Heavy-duty - Drinking Water | ACS – KTW |

and determined in accordance with the procedures set out below :

- > **10 (ten) years** against any defect of material (technical fabric) and manufacturing,
- > **1 (one) year** for tank equipment and electromechanical equipment

Labaronne-Citaf® flexible closed tanks are studied and designed to withstand the characteristics of the fluids (chemicals for instance) which the user intends to use for our tanks.

Any storage of liquid not in accordance with the contractual characteristics would automatically entail the loss of the guarantee.

OBTAINING THE WARRANTY

The date of application of the guarantee is the date of the delivery note for the tank.

In the event of a warranty call, the customer must::

- > Ensure site preparation to facilitate access to the tank and equipment to be repaired,
- > Make the tank empty and clean for on-site repair and / or factory shipment.

EXCLUSION AND LIMITATION CLAUSES

Do not fall within the scope of the warranty:

- > The consequences of normal wear and tear, that is to say the loss of 5% per year of the resistance values of the delivered material.
- > The consequences of negligence, overpressure, lack of maintenance or use (not in accordance with the instructions supplied with the tank).
- > Damage by any mechanical device whatsoever.
- > Damage caused by the use of chemicals, cleaning agents or other substances (Hydrocarbons, solvents based on ketone or ester, aldehydes).

- > Damage during transport, loading, unloading, or installation. The reserves of use must be reported (art.105 of the Commercial Code) to the carrier by informing Labaronne-Citaf®.
- > Damage caused by repeated mounting and dismantling or during intermediate storage of the tank.
- > Damage caused by extreme climatic conditions, floods, natural disasters, break-ins, vandalism or force majeure.
- > Any change in the spot color or over the entire surface.

EXPIRY

The warranty expires when:

- > Repairs or other operations are carried out on the tank without prior written approval of Labaronne-Citaf® (Request made by registered letter).
- > Full payment is not made by the customer within the prescribed deadline.
- > Any defects found have not been reported by registered letter with a copy of the invoice to Labaronne-Citaf® within 15 days of the start of the damage.
- > At the end of the guarantee (an intervention carried out by Labaronne-Citaf® does not modify the duration of the guarantee).

In addition to the warranty claims listed above, the Supplier shall not be liable for any damages, including consequential damages.

LAW AND DISPUTE

The legal guarantee resulting from article 1641 of the Civil Code is applicable.

The above conditions are subject to French law. Any litigation concerning their application or execution will be submitted to the competent courts of Labaronne-Citaf® head office.
