

The architectural site plan illustrates the layout of a wastewater treatment plant. Key components include:

- Top Left:** A rectangular area labeled '02' with a roof storage tank 'TETTOIA STOCCAGGIO ACF 5.335 mq' and a height of '+0.20'. A dimension of 65.00 is shown.
- Top Center:** A large rectangular area labeled '5' with a height of '+0.20' and a dimension of 1500 mq. A building labeled 'P3' is situated nearby.
- Bottom Left:** A section labeled 'CAPANNONE h. 10 m' containing several rectangular tanks with dimensions like 1100, 1600, 1800, and 2500. A 'BIOFILTRO 400 mq' is also indicated.
- Center:** A large, irregularly shaped area labeled 'D BACINO ANAEROBICO (2)' and 'C BACINO ANAEROBICO (1)'. A dimension of 105.00 is shown.
- Right:** A complex area containing several buildings and tanks, including 'VASI 103a', 'VASI 102a', 'VASI 101', and 'VASI 103b'. A building labeled '1' is also present.
- Infrastructure:** A road or path runs along the top and right edges. A dashed line indicates a boundary or path across the bottom right.
