

Diagram illustrating the road structure and the location of the cable. The road is labeled "VICOLO CUSINNI" and "CAVO 30 kV - MT". The diagram shows a cross-section of the road with a car on the surface, a layer of asphalt, and a layer of concrete. The cable is shown as a red line running horizontally through the concrete layer.

Technical drawing of a bridge structure showing a cross-section. The central span is labeled "VICOLE CUSINI". The side spans are labeled "CANALE DI BONIFICA DEMANIALE". The bridge is supported by two piers labeled "PONTE". A red line indicates a cable or conduit labeled "CAVO 30 kV - MT".
