

Vitamin E, feed grade

Product code no: 410 000 03

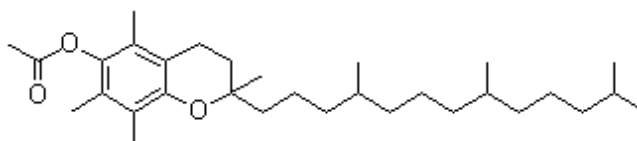

Information about active ingredient Vitamin E/all-rac-alpha-tocopheryl acetate

Chemical name 3,4-dihydro-2,5,7,8-tetramethyl-2-(4,8,12-trimethyltridecyl)-2H-1-benzopyran-6-yl acetate; 2,5,7,8-tetramethyl-2-(4,8,12-trimethyltridecyl)-chroman-6-yl acetate

CAS No. 7695-91-2

Synonyms all-rac- α -Tocopheryl Acetate; dl- α -Tocopheryl Acetate; Vitamin E acetate;

Structural formula

Molecular mass 472.75 g/mol

Molecular formula C₃₁H₅₂O₃

Related substances conform to Ph. Eur. requirements (07/2011:0439)

Purity >93 % (method EP 07/2011:0439)

Legal status Feed additive acc. Regulation (EU) No. 2023/341
Category 3: Nutritional additives
Functional group: Vitamins, pro-vitamins and chemically well-defined substances having similar effect
Identification no. 3a700

Information about product Vitamin E, feed grade

Appearance slightly yellowish-greenish, viscous, oily liquid

Description Vitamin E is produced by chemical synthesis.

Assay min. 94.5 % (EP-method 07/2011:0439)

Density approx. 0.95 kg per liter

Solubility insoluble in water

Packaging and storage conditions

Packaging IBC (950 kg), tanktainer (max. 22 to)

Storage keep well closed, cool and dry, protect from sunlight

Stability / Shelf life

The product can be kept for 24 months at room temperature (proper storage conditions provided).

Uses / Regulatory information

Feed additive with the active ingredient Vitamin E for all animal species and categories without maximum quantity limitation according to Regulation (EU) No. 2023/341. The product fulfils all legal requirements of Regulation (EC) No. 1831/2003 on feed additives for use in animal nutrition as well as of Regulation No. 2002/32/EC on undesirable substances in animal feed. For handling of product resp. information on safety please see Material Safety Data Sheet.

Legal notice

The information given herein is believed to be correct and is in accordance with our current state of knowledge. No warranty is made, either expressed or implied, regarding its accuracy or the results to be obtained from the use of such information. Information given does not relieve any user from own reliability for safe handling under his conditions of use and in accordance with all applicable laws and regulations in force.
