

This architectural site plan illustrates the layout of a wastewater treatment plant. The plan includes several buildings, each labeled with a blue 'E' and a number: E2, E3, E4, E5, E6, E9, E10, E11, E12, E13, E14, E15, E16, E17, E18, E20, E21, and E23. There are also two large circular tanks, V.7a and V.7b, and several rectangular tanks, V.2n, V.4d, V.5, V.8, V.9, V.10, V.11, V.12, V.13, and V.14. The plan shows a network of pipes and conduits, color-coded in blue, orange, green, and purple, connecting the various components. A central area is labeled 'Locale Q.E.' (Electrical Control Room). The plan also shows a parking area with trees and a road with a sidewalk and trees. The overall layout is organized into a grid-like structure with various functional zones.

Ambiente A2 - Area purificazione biogas  
e upgrading  
Classificazione:  
Esterno ZONA 2 intorno SE  
Esterno in quota sfiati ZONA 2 e ZONA 1
