

H = prevalenza manometrica totale
al corpo pompa
P = potenza assorbita
dal corpo pompa
 η = rendimento corpo pompa
S = sommergenza minima

H = total manometric head at the
bowl assembly
P = power absorbed by the
bowl assembly
 η = efficiency of the bowl assembly
S = min submergence

H = hauteur manométrique total
au corps de pompe
P = puissance absorbée par
le corps de pompe
 η = rendement du corps pompe
S = submergence min
